

THE SCIENCE OF MUSIC CAMP

Do you have a scientist that loves music? Join Ms Shauna for the Science of Music Summer Camp where STEM meets music! Students will conduct fun experiments to determine how sounds are made. Students will learn how turn bananas (or other conductive materials) into a piano using a Makey Makey circuit board. No music background required!

July 30 - August 2
9am - 1 pm (age 8-12)
\$100
